Adult Services Extended Hours Program

The Interchange Outer East (IOE) Adult Services Extended Hours program provides support to adults upon completion of standard day service hours.

For families requiring those extra few hours of support after 3pm, IOE Adult Services offers an extended hours program at two of our locations; Ferntree Gully and Lilydale. Program activities are planned in response to the preference and dynamics of the group, ranging from fitness, cooking, socialising, music and art. Please contact the coordinator if you have any activity requests or interests.

IOE Lilydale site - Shop 1, 6 Clarke St, Lilydale

- Wednesday - 3pm to 5.30pm
- Thursday - 3pm to 5.30pm

IOE Enterprises site - 5 Sylvia St, Ferntree Gully

- Wednesday from 3 to 5.30pm

*Further sessions may be arranged at both locations depending on interest, including morning sessions. Please contact us to discuss.

The minimum group size is four participants and participants are required to book in per term for this program. The Extended Hours program provides a social and economical alternative to a short 1:1 support shift.

Cost

Each session runs for 2.5hrs and is invoiced at the NDIS core support price as follows:

Social/rec activities in a centre
\$22.05/hr x 2.5 hours = \$55.12

Activity costs, where applicable, will be payable by participants on the day. Prior notice will be given in these cases.
