

Pilot program running over four weeks at the end of term 3

After School 'Sport for Fun'

Welcome to the 'Sport for Fun' Pilot Program.

Maybe your experience of sport in the past hasn't been an enjoyable one. Maybe you don't like being in a situation where it is all about perfect skills and winning. Maybe you just want to get active, meet some new friends and have FUN!

If this sounds like you, then don't let the word 'SPORT' put you off!

This program is all about FUN! It is a non competitive environment and a great opportunity for kids and young people to play sport for fun, to socialise and keep active.

Interchange OE is trialling the weekly after school 'Sport For Fun' program over the last four weeks of Term 3.

What is it?

Each session will include two different sports. There will be a skills training session followed by a friendly game. A variety of sports will be covered over the term, for example, soccer, football, cricket, basketball etc.

There will be one facilitator and a couple of volunteers running the sessions. Fred Brumhead (Interchange Outer East CEO) will be facilitating the first few sessions so you are assured a FUN time!

Who is this for?

The sessions will be open to individuals who are registered with IOE, their friends and their siblings.

When: Monday or Wednesday (to be decided based on interest) from 4:30pm – 6pm.

Where: Bayswater Indoor Soccer Centre (to begin with).

Cost: The cost is \$20 per session, but this may change depending on numbers. Participants will be asked to enrol and commit to the term and prepay.

The trial will be the last 4 weeks of term 3. If it is successful, we will continue to run again in term 4.
