

## Interchange Outer East Men's Shed

# PLANNING MEETING

*Be a part of the next big project at Interchange Outer East!*

Join Interchange Outer East as we kick off planning and development of an on site Men's Shed to support and engage the men (young and old) of IOE and the wider community.

Share your ideas and experiences, lend your skills and take the reins - or just come along for the ride. Make some great mates and be a part of the next big project at Interchange Outer East!

*“There are no strangers here; Only friends you haven't yet met...”*

by William Butler Yeats
