With:

Kevin Honeycutt | Brought up in poverty, Kevin shares his amazing journey to becoming who he is today; a change agent, teacher, and international keynote speaker.

Yumi Stamet | Yumi is a workforce adviser for National Disability Services. Yumi will share the story of an international innovative agency that does not compromise client connection or quality of service for efficiency.

Family panels | Hear some incredible stories from individuals and families at IOE; follow their journey through tears and triumphs, to where they are today.

Maureen Crawford | The amazing story of how the absence of services turned this passionate woman to creating a support service within her own community, and becoming the founder of Interchange Victoria.

Fred Brumhead | Sharing his little-known story of how his failed attempts to be a professional sportsman/pirate/explorer turned into his career as the CEO of Interchange Outer East since 1982.
