New Families Social Night

Inviting newly registered Interchange Outer East families to a fun meet and greet social evening. This is an opportunity to be welcomed into the IOE community and meet other families, staff and volunteers.

Interchange Outer East would like to welcome newly registered families to the Children and Family Services Team with a special outing to Lollipop's Playland!

Families will have the opportunity to meet some staff, volunteers and other families to break the ice and feel welcomed into the Interchange Outer East community.

We hope to introduce children and families to some of our services, particularly family support services which offer programs and social opportunities for mums, dads, siblings and carers of a child with a disability.

Start your IOE journey the right way - with fun and friends!
