After School Program

The Interchange Outer East after school program runs on Tuesday and Thursday afternoons for students attending certain local primary schools, easing the pressure of school pickups for parents and carers.

Interchange Outer East invites families who have a child or children attending Eastern Ranges School or Croydon SDS to register for the After School Program.

Sessions run in Ferntree Gully on Tuesday and Thursday afternoons from 3pm to 6.30pm during school term.

Students are collected from school and travel by car to the program at Interchange Outer East's Silvia St site in Ferntree Gully.

The program runs at a 1:5 ratio with support from volunteers. Children do not need to be previously registered with Interchange Outer East to be involved.
