

Cultural Diversity

Cultural diversity is about making sure everyone is included, no matter what background, language, religion or spirituality they have.

Interchange Outer East respects that everyone is different and accepts everyone with different backgrounds, languages, religions and spiritualities.

Interchange tries to:

1. Understand the different types of cultures in the local area
2. Offer services that meet the needs of everyone, no matter what their culture is
3. Encourage families of different backgrounds to be involved in making decisions at Interchange
4. Make sure information about Interchange is able in other languages and easy to find
5. Help people understand different cultures
6. Encourage people from all different backgrounds to come and work and volunteer at Interchange.
