ABOUT JULIANA

Juliana has a Master of Counselling from Monash University and provides counselling services with a warm and open attitude practicing a client-led therapeutic style. She has a long history of teaching swimming and uses the skills learnt in educating a survival skill into her counselling; focusing on empathy, compassion, patience and a strengths-based approach. Juliana has a particular interest in working with people who have experienced trauma and anxiety centering around coping strategies toward autonomous emotional regulation

COST

\$100 per 1hr session private fee.
Carers can access funded counselling through Carer Gateway. Visit www.carergateway.gov.au for details.
