A place to meet and have fun!

Looking for a fun, inclusive space to hang out and meet new people? Join us at Maroondah Nets, where Interchange Outer East hosts regular sessions for young adults to connect, unwind, and enjoy themselves. IOE's friendly staff will facilitate the sessions, but please note that personal support is not provided, so feel free to bring a support worker if needed. The space includes a private room upstairs with elevator access, a Changing Places accessible bathroom, and a kitchenette for heating food. You will find board games and a sensory corner available to enjoy and sometimes a theme week. It's all about creating a relaxed, fun environment where you can make new friends and have a great time!
